

# How to Read and Teach God's Word

**How To Read God's Word— the means of grace— 4 weeks**

**How to Teach God's Word— the proclamation of grace— 4 weeks**

*This interactive course will help you learn and practice different hermeneutical (interpreting) and exegetical (explaining) principles of Scripture that will not only benefit you in training people to teach God's truth, but nourish your own soul as you sit and soak in the beauty of His Word.*

You can take just the first 4 weeks regarding reading the Word or all 8 weeks which includes teaching it to others. It will be taught in a format that allows you to practice and share during class, and it will be easily reproducible for your own discipleship of others.
