CONNECT to Christ

We are a people committed to training to teach God's truth. The BEST way to make that happen is to get God's Word into you as you get into God's Word! The Daily Readings will help you do just that. Keep the conversation going this week by sharing what the Holy Spirit is showing you about our true identity in the truth of the Gospel of Jesus Christ!

BE in Community

Pray about establishing, or continuing, intentional, growing relationships with other members of the FRamily (friends who are family). Take the first step when He shows you the opportunities. Be ready for accountability in the Word and Prayer. Watch the Spirit work!

ENGAGE in the Call

It is increasingly clear that the world needs God now more than ever. We can either huddle up and hunker down and wonder, "How could they?" Or we can do what Christ called us to 2000 years ago and lead them into the presence of a Heavenly Father who made all of us in His image, knows us fully, and loves us deeply.
